LUXURY BEACH HOLIDAYS - Escencia, [The Mayan Riviera, Mexico](#)

The Mayan Riviera is the perfect place to relax at the end of a busy itinerary, to snorkel amongst the brightly coloured fish in the beautiful waters, explore the Mayan archaeological site of Tulum, or simply collapse on the beautiful white sandy beaches and enjoy the view.

Sited on the Riviera Maya, Esencia is a perfect example of how elegance and simplicity excels in such a perfect setting as Xpu-Ha beach. The heart of Esencia is the beautiful 'Casa Grande', with its unusual Catalan dome roof overlooking a stunning beachfront pool area.
